

TurboSOP Promotional Pricing December 1st 2009—April 30th 2010

| | North America | UK | Australia |
|----------------|---------------|--------|-----------|
| Up to 10 users | \$2,500 | £1,500 | \$2,750 |
| 11-30 users | \$3,500 | £2,000 | \$3,750 |
| 31+ users | \$4,500 | £2,500 | \$4,750 |

Notes

1. TurboSOP comprises three Trinity modules—Customer Templates (with new TurboSOP features), Linked Item Selling, Sales Pattern Analysis.
2. Core TurboSOP features are available FREE to existing users of Customer Templates—simply download latest version of Customer Templates. (see pre-reqs)
3. “Users” means number of registered GP system users—not specific TurboSOP licences.

Pre-Req

Dynamics GP10 at Service Pack 4. - (please let us know if you are on an earlier version and would like the product. We may be able to respond to this if there is sufficient demand.)

Support and Enhancement

20% of purchase price. S&E mandatory for year one
Please remember you will need to be up to date on S&E at GP upgrade time.
